### **CBSE Class 10 History The Rise Of Nationalism In Europe**

The political development of nationalism and the push for popular sovereignty culminated with the ethnic/national revolutions of Europe. During the 19th century nationalism became one of the most significant political and social forces in history; it is typically listed among the top causes of World War I.. Napoleon's conquests of the German and Italian states around 1800-06 played a major ...

Fascism - Extreme nationalism: Whereas cosmopolitan conservatives often supported international cooperation and admired elite culture in other countries, fascists espoused extreme nationalism and cultural parochialism. Fascist ideologues taught that national identity was the foundation of individual identity and should not be corrupted by foreign influences, especially if they were left-wing.
