### **Never Never Part Two Colleen**

I cannot decide how I want to rate Never Never: Part Two. On the one hand, as with part one, I found this book to be written in an extremely compelling way. I found it easy to sprint through chapter after chapter, unlocking more questions and mysteries as I went along.

### **Never Never: Part Two (Never Never, #2) by Colleen Hoover**

There was never a part where I felt safe in letting this book sit overnight because I knew that the story and the what ifs would play endlessly in my mind. So I stayed up and read it all in one sitting because I simply couldn't stop.

Review: Never Never: Part Two (Colleen Hoover) May 06, 2016. Never Never: Part Two by Colleen Hoover. My rating: 5 of 5 stars. When I read this book, I feel like I read another book with another people, and another story. It feels like separated book because, well, Silas and Charlie both forgot each other, forgot what happened 2 days ago, and ...

Ah, the long awaited ending to Colleen Hoover & Tarryn Fisher's Never Never saga. I think calling it a saga is pretty apt. Three parts, albeit short, but with so much in them you cannot help but be enthralled by Silas and Charlie. Two teens who keep losing their memory and have to figure out why this is happening to them.
