### **TIPS4RM Mathematical Processes final Jan 24 - EduGAINS**

Report cards provide parents and guardians with essential information regarding their child's progress in school. Besides a letter grade, parents are given a brief descriptive comment that elaborates the student's strengths or what the student needs to improve upon. Finding the exact words to describe a meaningful comment takes effort. It's important to state a student's strength then follow it ...

Report Cards (Building a Math Comment) With all the assessment tools and tests available on this blog divided into the 4 assessment criteria, I thought I would add a page that demonstrates how you can incorporate them into report card comments (for Ontario provincial report cards).

### **Report Cards (Building a Math Comment) | Ottawa Bansho**

Harding said the full Board of Education is expected to approve the math review report at its Sept. 18-19 meeting in Wenatchee and hand it off to the office of the Superintendent of Public Instruction, which has already begun to work on the next step: rewriting grade level expectations and learning guidelines.

### **Seattle Schools Community Forum: Next Steps for Math**

Comments about next steps should help the students learn, not give them answers. For example, copyediting writing or supplying answers to math problems will not help students learn to do these

things themselves.
