Introduction. Language and literacy provide us with the building blocks not just for academic success, but for fulfilling careers and rewarding lives. Consequently, the EEF has focused considerable effort in this area – particularly for younger and for struggling readers – through our KS2/3 transition funding of 24 literacy projects and our ongoing Primary Literacy Campaign in the North ...

Language and literacy | Education Endowment Foundation | EEF

UAE Public Policy Forum expressed in a public poll of education reforms. Figure 1 below shows that 38% of respondents felt that teacher training and a positive learning environment were the most important elements for advancing reforms in the education sector.. In an increasingly multicultural and technology enabled classroom, the role of teachers and the expectations from stakeholders are ...

Education Policy Reform in the UAE: Building Teacher Capacity

In education terminology, rubric means "a scoring guide used to evaluate the quality of students' constructed responses". Rubrics usually contain evaluative criteria, quality definitions for those criteria at particular levels of achievement, and a scoring strategy. They are often presented in table format and can be used by teachers when marking, and by students when planning their work.
