

Nonprofit Sustainability Making Strategic Decisions For Financial Viability

Nonprofit Sustainability Making Strategic Decisions

You may have heard of the Dual Bottom Line: the idea that strategic choices must serve both mission impact and financial viability. But how do you turn this idea into a quantitative decision-making tool? Blue Avocado columnist Steve Zimmerman summarizes the Matrix Map approach in this article adapted from the book he co-wrote with Jeanne Bell and Jan Masaoka, *Nonprofit Sustainability: Making ...*

The Matrix Map: A Powerful Tool for Mission-Focused ...

Money in the bank does not necessarily mean that your organisation will be sustainable. A strong sense of being mission-driven, measuring impact and sharing results is what leaders of charities and nonprofit organisations (NPOs) should strive to embed into the consciousness of everyone involved in the organisation, this is how an organisation can shift the status quo from fretting over money ...

Nonprofit Sustainability is the Responsibility of ...

Chances are, if you're an executive or development director, you've been asked to create a development strategic plan. It's not difficult, but it's not something most of us are taught. So it can be tricky to know where to begin. When it comes to development planning, it's important to ...

The Ultimate Guide to Nonprofit Strategic Planning

Sustainability organizations are (1) organized groups of people that aim to advance sustainability and/or (2) those actions of organizing something sustainably. Unlike many business organizations, sustainability organizations are not limited to implementing sustainability strategies which provide them with economic and cultural benefits attained through environmental responsibility.
