How to Tell if You're Being Manipulated | Psychopaths and Love

One of our favorite subjects is the way marketers can use psychology to manipulate you into doing what they want (we don't think "brainwashing" is too strong a word).. We know what you're thinking: You're far too cynical to fall for the ads you fast forward through on your DVR or the little tricks employed by marketers and politicians to push your subconscious buttons.

As I discussed last week, Tinder has been an incredible enabling agent in women's slutification. Every day that goes by the women of the West become more and more like men. Quicker to have sex, more likely to have multiple partners, and recently—more likely to have multiple partners at the same time. Over the past few years I have noticed a few "tells" girls inadvertently provide which ...
