The history of medicine shows how societies have changed in their approach to illness and disease from ancient times to the present. Early medical traditions include those of Babylon, China, Egypt and India. The Indians introduced the concepts of medical diagnosis, prognosis, and advanced medical ethics. The Hippocratic Oath was written in ancient Greece in the 5th century BCE, and is a direct ...

What is the Eclectic School of Medicine? Who are Eclectic Physicians? This is the question that first occurs to the mind of the reader. Interrogate the Allopathic (or, as they are sometimes pleased to call themselves, "regular") physicians, and they will tell you pompously that the Eclectics are Botanics, or Thomsonians, or still by others that they are electric doctors, etc., and that ...
