### **On the Origins of War: And the Preservation of Peace ...**

Origins of War. As late as the beginning of the 20th century in Europe there were people in high places who believed that war was an exhilarating drama. And there were those who believed that it built character and made a society stronger. The First World War changed a lot of minds. So did the Second World War and the development of the atomic bomb.

### **The Origins of War - World history**

War is a state of armed conflict between states, governments, societies and informal paramilitary groups, such as mercenaries, insurgents and militias. It is generally characterized by extreme violence, aggression, destruction, and mortality, using regular or irregular military forces.

First World War - overview Page 2 - Origins of the war. Britain's declaration of war on Germany on 4 August 1914 confirmed the outbreak of the Great War (as it was known at the time). It is now more often referred to as the First World War or World War One.

### **Origins of the war - First World War - overview ...**

The First World War began in central Europe in late July 1914. There were many factors that led Europe to war, such as the conflicts and hostility between the great powers over the previous four decades. The immediate origins of the war, however, lay in the decisions taken by statesmen and generals during the July Crisis of 1914.

One of the main causes of the First World War was imperialism: an unequal relationship, often in the form of an empire, forced on other countries and peoples, resulting in domination and subordination of economics, culture, and territory. Historians ...

### **The Origins of WWI - History on the Net**

There was no common Germanic word for "war" at the dawn of historical times. Old English had many poetic words for "war" (wig, guð, heaðo, hild, all common in personal names), but the usual one to translate Latin bellum was gewin "struggle, strife" (related to win (v.)). First record of war-time is late 14c.

### **war | Origin and meaning of war by Online Etymology Dictionary**

War & the Rise of Nations. Throughout history, individuals, states, or political factions have gained sovereignty over regions through the use of war. The history of one of the earliest civilizations in the world, that of Mesopotamia, is a chronicle of nearly constant strife.
