One Last Sunset The Long

The time of sunset is defined in astronomy as the moment when the upper limb of the Sun disappears below the horizon. Near the horizon, atmospheric refraction causes sunlight rays to be distorted to such an extent that geometrically the solar disk is already about one diameter below the horizon when a sunset is observed. Sunset is distinct from twilight, which is divided into three stages, the ...

The Viper Room, which is celebrating its 21st anniversary this year, has lost none of the dark, edgy vibe it had when Johnny Depp launched the club on the Sunset Strip in 1993. And yet fans who have lined up over the years to see the Red Hot Chili Peppers, Green Day, Oasis, Run-DMC and dozens of other acts that have topped the Viper Room's bill might be surprised to learn that the venue ...

We've cooked many a fish taco at Sunset, but this one is unsurpassed—a fresh, crunchy, creamy version of a Western classic. It may be one of our earliest fusion-food hits, too: The light, crisp, tempura-style batter makes it intriguingly different from other Mexican tacos, and some food historians think that Japanese fishermen, who arrived in Baja in the 1920s, played a role in its invention.
