pertaining to, noting, or making use of computers and computerized technologies, including the Internet: We are living in an increasingly digital world. Digital activism uses social media to achieve political reform. His blog is a great example of digital journalism. Digital technology has revolutionized the music industry.

Digital | Define Digital at Dictionary.com

Digital literacy refers to an individual's ability to find, evaluate, and compose clear information through writing and other mediums on various digital platforms. Digital literacy is evaluated by an individual's grammar, composition, typing skills and ability to produce writings, images, audio and designs using technology. While digital literacy initially focused on digital skills and stand ...
