World's largest wheel loader is Joy P&H LeTorneau L-2350

If you want one of these monster L-2350s for yourself, be prepared to shell out at least \$1.5 million. They are still being manufactured, but Joy Global acquired LeTourneau in 2011, so you'd probably find it listed as a P&H L-2350. You'd need an awfully powerful trailer to haul one of these 260,000-pound loaders, though.

The LeTourneau L-2350 Monster Loader

In this post, we'll be looking at Joy Global's P&H L-2350, originally designed by LeTourneau Technologies, which currently holds the record for the world's largest of its kind. At an operating capacity of 160,000 pounds (72,574 kg) and a total payload of more than 400 tons, this magnificent beast has a bucket capacity of 53 cubic yards ...

[VIDEO] The World's Largest Wheel Loader — Construction Junkie

The Zambia-based Sentinel copper mine is set to receive "the world's largest wheel loader" - a P&H L-2350 wheel loader - according to Komatsu Mining Corporation, previously known as Joy Global.
