Puraco offers you a Total Solution for the Clean and Durable finishing of your walls & ceilings.. The Puraco FRP (Fibreglass Reinforced Polyester) sheet can be used for both renovation and new constructions. In order to accomplish this we developed a complete range of different panels to require your needs. (Puraco walls & ceilings)

Welcome to the web page of the Barcelona Microelectronics Institute of the National Microelectronics Centre-CSIC. Micro/Nano electronics, Photonics and Smart Systems have been identified by the European Commission as a fundamental part of the KETS-Key Enabling Technologies, which are the basis for the improvement of the innovation capability of the European industry.

"Eilat-Eilot excels in bringing together entrepreneurs, investors, government officials & NGOs, all committed to diversifying energy sources through the adoption of renewable energy."

Eilat Eilot International Renewable Energy Conference ...

Field electron emission (also known as field emission (FE) and electron field emission) is emission of electrons induced by an electrostatic field. The most common context is field emission from a solid surface into vacuum. However, field emission can take place from solid or liquid surfaces, into vacuum, air, a fluid, or any non-conducting or weakly conducting dielectric.

Field electron emission - Wikipedia

For more than 30 years, Thales has developed innovative laser systems and solutions with

unprecedented performances thanks to a large patents portfolio and scientific collaborations. Thales lasers meet the needs of the most demanding scientific and industrial applications.
