Professor Rodgers was very good about walking us through the various calculator processes & what was expected on tests. However, he didn't take enough time to explain the concepts & just expected us to regurgitate exactly what he had taught us.

Sam Rodgers at Mountain View College - RateMyProfessors.com

The CAS Board of Directors approved the following transition rules for the education structure that was implemented in the Fall of 2015. To receive credit for the new Exam S on Statistics and Probabilistic Models during the transition, the candidate must have credit for Exams ST and LC† and the VEE-Applied Statistical Methods educational requirement.

Exam Rules - Grades and Accreditation

prof D is funny & goes over material but felt like he didnt spend alot of time showing how to use calculator only manual work which takes up too much time on tests; asked how to use the calc & he said "I already went over that" so wasnt really comfortable asking for help, just went to the BC North mathlab who btw never had stats tutors available :(
