Phenomenology - Later developments: A different type of phenomenology, the phenomenology of essences, developed from a tangential continuation of that of the Logische Untersuchungen. Its supporters were Husserl's students in Göttingen and a group of young philosophers in Munich, originally students of Theodor Lipps, a Munich psychologist and philosopher—students who had turned away from ...

What is Existential-Phenomenology? What is Phenomenology? "As good a place to begin as any is the meaning of the term phenomenology itself. It is derived from the two Greek words: phainomenon (an "appearance") and logos ("reason" or "word," hence a "reasoned inquiry"). Phenomenology is indeed a reasoned inquiry which discovers the inherent essences of appearances.
