Three Stages of Writing 1. Early Stages The early stages of writing a philosophy paper include everything you do before you sit down and write your first draft. These early stages will involve writing, but you won't yet be trying to write a complete paper. You should instead be taking notes on the readings, sketching out your ideas, trying to explain the main argument you want to advance, and ...

Western philosophy is the philosophical thought and work of the Western world. Historically, the term refers to the philosophical thinking of Western culture, beginning with Greek philosophy of the pre-Socratics such as Thales (c. 624 – c. 546 BC) and Pythagoras (c. 570 BC – c. 495 BC), and eventually covering a large area of the globe. The word philosophy itself originated from the Ancient ...

Because of his political associations with an earlier regime, the Athenian democracy put Socrates on trial, charging him with undermining state religion and corrupting young people. The speech he offered in his own defense, as reported in Plato's *Απολογία* (), provides us with many reminders of the central features of Socrates's approach to philosophy and its relation to practical life.
