Play Therapy Techniques: 30 Therapeutic Activities for ...

Play Therapy Activities to Engage Children. When selecting an activity, it is important for the therapist to note that each child is different both in personality and presenting issues. It is therefore important to match the play therapy activity with the child's abilities and needs (Geldard & Geldard, 2008).

Play Therapy Activities to Engage Children | Counselling ...

Play Therapy and Games for Adults. The idea of play therapy for adults is not to force adults to play, but to offer them the opportunity to work through feelings that they do not have the words for. Some types of play therapy which Schaeffer recommends for use with adults include dramatic role play and sand play.
