Talk about speaking truth to power! In refreshingly candid prose, Jeff Pfeffer offers brilliant insights into how power is successfully built, maintained, and employed in organizations. It's well known that when Pfeffer speaks about power, smart people listen. This book shows why.

Power: Why Some People Have It — and Others Don't ...

This book is about real people who have been kind enough to share their stories with me over the years. In most instances, I have used their real names—in some instances they are public figures and some of the material comes from public sources. However, in a few cases, at the request of my sources, I have changed the names of people and,

Power: Why Some People Have It and Others Don't

Dr. Pfeffer's latest book entitled "Power: Why some people have it and others don't" is the focus of our dialogue today, and is a fascinating read as to the central message that intelligence, performance, and likeability alone are not the keys to career success.

Power: Why Some People Have It And Others Don't - Part 2

According to his book, Power: Why Some People Have It And Others Don't, Pfeffer came up with seven personal qualities that help to build power: ambition, energy, focus, self-knowledge, confidence, empathy with others, and capacity to tolerate conflict. Surprisingly, intelligence and high performance didn't make the cut.
