General Motors Global Supplier Quality

Seminar Content Although the ISO 9001 requirements have been removed from IATF 16949:2016 Automotive Quality Management System requirements and are published as a separate ISO standard, IATF 16949 is not a stand-alone standard and must be used in conjunction with ISO 9001, so Omnex is continuing to offer courses that cover both the ISO 9001:2015 and IATF 16949:2016 requirements.

IATF 16949:2016 Lead Auditor Training - omnex.com

This is an Exemplar Global Certified Course. Learn the necessary skills and activities required to successfully lead a team of auditors to perform effective third-party audits of an organization's quality management system against the newly revised Automotive Industry Quality Standard IATF 16949:2016.
