Syracuse Studies On Peace And Conflict Resolution*

Preparing For Peace Conflict Transformation

Peace and conflict studies is a social science field that identifies and analyzes violent and nonviolent behaviours as well as the structural mechanisms attending conflicts (including social conflicts), with a view towards understanding those processes which lead to a more desirable human condition. A variation on this, peace studies (irenology), is an interdisciplinary effort aiming at the ...

WCAPS Vision. To advance the leadership and professional development of women of color in the fields of international peace, security, and conflict transformation.

Women of Color Advancing Peace and Security

The inclusion of youth in peacebuilding initiatives brings vibrancy and creativity to peacebuilding efforts. Believing that youth offer creative energy and active potential for the transformation of violent conflict in the world -- and believing that education is a space for nurturing cultures of peace or cultures of war -- peace educators maintain that practitioners have a responsibility to ...

Peace & Conflict Review

Peace is a concept of societal friendship and harmony in the absence of hostility and violence. In a social sense, peace is commonly used to mean a lack of conflict (such as war) and freedom from fear of violence between individuals or heterogeneous (relatively foreign or distinct) groups. Throughout history leaders have used peacemaking and diplomacy to establish a certain type of behavioral ...
