This is something I've been wanting to write for a while, but I've been putting it off because, honestly, it's a monster. I could split it into a series, but I don't want people to stumble across just the second or third installment and miss the context.

The Complete Strength Training Guide • Stronger by Science

Exercises to strengthen the foot are frequently used to treat injuries to foot, ankle, knee, hip and low back. Toe curl or toe scrunching exercises is not appropriate for strengthening the muscles intrinsic to the feet. Muscles about the foot and ankle are described as either extrinsic muscles or intrinsic muscles. Extrinsic foot muscles have...

It's been over a year since I sat down with the original Rocksmith and sunk my teeth into it. The first game in the series offered players a chance to use a real electric guitar as their weapon of choice, and although a bit rough around the edges, the original Rocksmith delivered a solid, memorable experience. I emerged with a new passion for playing the guitar and felt like I developed an ...
