AINS 21: Property and Liability Insurance Principles ...

Liability insurance (also called third-party insurance) is a part of the general insurance system of risk financing to protect the purchaser (the "insured") from the risks of liabilities imposed by lawsuits and similar claims. It protects the insured in the event he or she is sued for claims that come within the coverage of the insurance policy. ...

Liability insurance - Wikipedia

Insurance is a means of protection from financial loss. It is a form of risk management, primarily used to hedge against the risk of a contingent or uncertain loss.. An entity which provides insurance is known as an insurer, insurance company, insurance carrier or underwriter.A person or entity who buys insurance is known as an insured or as a policyholder.

Insurance - Wikipedia

Principle of Uberrimae fidei (a Latin phrase), or in simple english words, the Principle of Utmost Good Faith, is a very basic and first primary principle of insurance.According to this principle, the insurance contract must be signed by both parties (i.e insurer and insured) in an absolute good faith or belief or trust.
