

Public Finance Study Notes Brandeis University

Public Finance Study Notes

Public finance is the study of the role of the government in the economy. It is the branch of economics which assesses the government revenue and government expenditure of the public authorities and the adjustment of one or the other to achieve desirable effects and avoid undesirable ones.. The purview of public finance is considered [by whom?] to be threefold: governmental effects on (1 ...

Campaign finance refers to all funds raised to promote candidates, political parties, or policy initiatives and referenda. Political parties, charitable organizations, and political action committees (in the United States) are vehicles used in aggregating funds to keep campaigns alive. "Political finance" is also popular terminology, and is used internationally for its comprehensiveness.
