The Humor Code: A Global Search for What Makes Things ...

Laughter is a physical reaction in humans consisting typically of rhythmic, often audible contractions of the diaphragm and other parts of the respiratory system. It is a response to certain external or internal stimuli. Laughter can arise from such activities as being tickled, or from humorous stories or thoughts. Most commonly, it is considered a visual expression of a number of positive ...

Laughter - Wikipedia

Louie is an American comedy-drama television series that premiered on FX on June 29, 2010. It is written, directed, created, edited, and produced by comedian Louis C.K., who also stars in the show as a fictionalized version of himself, a comedian and newly divorced father raising his two daughters in New York City. The show has a loose format atypical for television comedy series, consisting of ...
