Hospitalization after Merial Rabisin rabies vaccine ...

Merial now offers the three-year PureVax Feline Rabies vaccine in addition to a one-year variety. Other three-year rabies vaccines are made with an adjuvant that increases a cat's immune response but that has been blamed for causing vaccine-related fibrosarcoma, a rare disease. The new vaccine is part of the PureVax family, which includes a one-year nonadjuvanted rabies vaccine.
