Jason learnt from his own health issues just how much one can benefit from juicing daily. He suffered from psoriasis, eczema, insomnia, asthma, hay fever and was also a heavy drinker and smoker.

Juicing - The Key to a Vibrant and Healthy Life

What can you eat on a raw food diet? Generally raw foodists eat at least 75% of raw fruits, vegetables, (germinated) seeds, (germinated) nuts and super foods and sprouts (see video from David Wolfe on home page.). You can eat them plain or you can juice or blend them for easier absorption.. If you like gourmet foods, there are many raw food cook books telling you how to make gourmet raw food ...

Juice Cleanse Recipes

Best indication that these raw butterfinger bars are irresistible? I made a batch with the pure intent of photographing these bars... Then we proceeded to eat the entire to-be-photographed batch without taking a single picture! So I had to make another batch (woe is me!) to get these shots.

Raw butterfinger bar recipe | The Rawtarian

Beets are one of the strangest foods in the world. They look dull and lifeless on the outside, but cut them open to reveal beautiful purple flesh. The root vegetable seems like it should taste like a carrot or potato, but instead it has a flavor similar to sweet corn. No other food in the world can turn your urine a different color, and yet you see a bright purple stream after you eat a load ...

Tuesday Sept. 28, 1976 Dear Dr. Bass: I have read your interesting article on Three Generations of Vegetarian Hygienists and am inclined to want to publish it, but too much time has elapsed since your visit to upstate New York with Chris, and much water has flowed under the bridge since then. As a finale, why not provide me with a couple of pages telling me and the readers the present condition ...
