### **Readings For A History Of**

Reading 1. The United States must be neutral in fact, as well as in name, during these days that are to try men's souls. We must be impartial in thought, as well as action, must put a curb upon our sentiments, as well as upon every transaction that might be construed as a preference of one party to the struggle before another.

Cultural history combines the approaches of anthropology and history to look at popular cultural traditions and cultural interpretations of historical experience. It examines the records and narrative descriptions of past matter, encompassing the continuum of events (occurring in succession and leading from the past to the present and even into the future) pertaining to a culture.
