

Reflective Journal For Child Care Example

Reflective Journal For Child Care

Requirement number 4 of the first 2 weeks of my Early Years Professional Status (EYPS) work placement is to: "Begin a reflective journal concerned with communication and relationships with children. Entries should be made each week throughout the placement and should identify your personal practice in communicating and developing your relationship with very young children...."

My Reflective Journal | Early Years Childcare

Reflective Journal In Childcare. What is a Reflective Journal? A reflective journal is a way of thinking in a critical and analytical way about your work in progress. It shows how different aspects of your work interconnect. The journal can record: • where your inspiration comes from • how you make use of your ideas to develop your work • your awareness of the cultural context (setting ...

"You make some assumptions about the children and the setting (and some negative remarks) - I would try to avoid that in a reflective journal." ... A reflective journal concerned with communication and relationships with children during my work placement for the Early Years Professional Status (EYPS).

Early Years Childcare: Reflecting On My Reflective Journal

Example Reflective Diary Child Care. When assessing a child you must be careful to take into account confidentiality before carrying out an observation you must have parents and the settings permission and not to leave confidential material lying around they must be secured in a locked cabinet. Only talk to authorized personal about confidential material.

Example Reflective Diary Child Care Free Essays

I'm a very forgetful person, so it's with no small amount of sadness that I removed the children's names from the posts. I'm not pretending that I frequently read my reflective journal and reminisce about my time there. But I did look at it occasionally, and I still have very fond memories of the place and the people there.
