Remodelista The Organized Home Simple

When setting up a home office, most people focus on the big-purchase items—the desk, chair, and filing system. Lighting often comes as an afterthought—and yet, poor lighting can cause eyestrain and headaches, and is definitely not a mood enhancer.

Remodeling 101: How to Light Your Home Office - Remodelista

An orderly home doesn't have to mean white plastic boxes with generic printed labels. Nor does it mean getting rid of 90 percent of the things you own. But unlike other organizing manuals that just focus on decluttering, Remodelista's tome aims to help readers find order while interjecting ...
