Biography. Michele Gay is a mother, former teacher, and now one of the founders of Safe and Sound Schools: A Sandy Hook Initiative. After losing her daughter, Josephine Grace, on December 14, 2012, she chose to take action as an advocate for improved school security and safety in our nation's schools.

### **PrepTalks: Rethinking School Safety | FEMA.gov**

Security is freedom from, or resilience against, potential harm (or other unwanted coercive change) caused by others. Beneficiaries (technically referents) of security may be of persons and social groups, objects and institutions, ecosystems or any other entity or phenomenon vulnerable to unwanted change by its environment.

Warm Greetings and a pleasant welcome to my fellow archivists and colleagues. First of all, we would like to express my earnest gratitude to all the archives communities and institutions, especially those in the Southeast Asia region that have generously and continually supported the Southeast Asia Regional Branch of the International Council on Archives (SARBICA) since its establishment in 1968.
