Rift Valley fever (RVF) is a viral disease that can cause mild to severe symptoms. The mild symptoms may include: fever, muscle pains, and headaches which often last for up to a week. The severe symptoms may include: loss of sight beginning three weeks after the infection, infections of the brain causing severe headaches and confusion, and bleeding together with liver problems which may occur ...

Rift Valley fever - Wikipedia

Tripping the Rift is an American/Canadian adult CGI science fiction comedy television series. It is based on two short animations published on the Internet by Chris Moeller and Chuck Austen. The series was produced by CineGroupe in association with the Syfy. Following its cancellation by that cable network, CineGroupe continued producing the series for the other North American and International ...

Comment by Drahken As a hunter: Flightpaths? Are they instant travel? Because, yeah, they're special class-exclusive flight paths, but a flight path is a flight path and if we have to take a six minute flight to every time we want to get to our Hall (which I'm not crazy about spending a second consecutive expansion on another icy rock), it's going to get real old real quick.
