### **Well - The New York Times**

Risk management is about being aware of what may happen at your football club and taking steps to limit the chances of it occurring. Risk is not necessarily harmful on its own, but left unaddressed it can have a significant negative impact on a football club.

### **AFL Community: Risk Management**

Pregnancy is a potential result of rape. It has been studied in the context of war, particularly as a tool for genocide, as well as other unrelated contexts, such as rape by a stranger, statutory rape, incest, and underage pregnancy. The current scientific consensus is that rape is at least as likely to lead to pregnancy as consensual sexual intercourse, with some studies suggesting rape may ...
