Very important for creating awareness on a local level. Use radio, newspaper ads, and flyers in next four launch locations to inform customers, build excitement about using the new service, and to incent them to try the new services. Evaluate the effectiveness of the individual ads and make adjustments for new launch areas as needed.

Design Tips. Decide on a name for your paper and make this large and on the top of your newspaper. Make sure that it is the name of your business or at least suggests what your business is about (for instance, if you own a hair salon, you want to avoid names like "Harry's Newspaper" or "JoAnne's " as those names have no message as to the content of the kind of paper you are producing.
