Whether you need a full load of laundry done ASAP, or a small pile of delicates, Kenmore has the washer for you.

Top-Load Washers | Kenmore

Hi, I have just been cleaning the washing machine and realised the mould has built up inside the pipe of the dispenser (where the detergent goes through)I have run the self tub clean function using a washing machine cleaner twice(Dr beckmann service - it) but the mould is still there and I am having difficulty reaching the area with a cloth ...

How to Remove Mold and Mildew from Front-Load Washing ...

Next, attach the compressor feed to the washing machine hot water supply hose. Open all the hot water taps elsewhere in the structure, and start adding air. It will help a lot if the hot water tank has been drained first as that's a lot of water and will take a long time for air from the compressor to blow all that water out.

Blowing out water pipes with an air compressor to ...
