Not long ago, I posted about the subliminal arrow in the FedEx logo. I received several emails regarding it, including one from design student Bobby Dragulescu. Thanks to Bobby and his typography professor Leah Hoffnitz, I was put in touch with the logo's creator: Mr. Lindon Leader of Leader Creative. Lindon kindly agreed to the following interview, which is comprised of 8 fairly intelligent ...

about x. HalfViz is a graph visualization environment with a not-coincidental similarity to AT&T's Nevermind-era, C-language classic GraphViz.. It takes one of the central good ideas of GraphViz - the .dot graph description language - and scales things back in the name of simplicity of implementation and brevity of syntax. Remember, worse is better these days.

Red Coins are coins that appear at times, along with Yellow Coins in the Mario franchise. The differences between a yellow coin and a red coin differ by game, but usually, red coins serve as important items to collect to get a reward. They are replaced by Purple Coins in the Super Mario Galaxy games, which must be collected to acquire Power Stars.
