Underground the City - Paris, France. In the underground quarries once used to build the city, below Paris's pristinely lined streets exists a thriving underworld full of urban explorers, squatters, catacombs, illegal nightclubs, and even full cinemas. WWII fighters used these tunnels for refuge, while bandits also called the black recesses home.

The story of Derinkuyu, Turkey's largest underground city. As children, we all liked to imagine we were adventurers. Every forest path we trod was an ancient trade route; every shiny rock we picked up was a priceless gem; every hole we discovered was the mouth of a cavern that might lead all the way to the center of the earth.
