My purpose in listing all the examples above is to suggest the following: far from having accepted defeat, the Neocons and the US deep state have decided, as they always do, to double-down and they are now embarking on a full-scale "color revolution" which will only end with the impeachment, overthrowal or death of Donald Trump.

**A "color revolution" is under way in the United States, by ...**

The Hungarian Soviet Republic was declared in March 1919. Kun was the dominant force in the new government and immediately embarked on a radical program, such as the nationalization of all private property.
