Steam mops can help you scrub even the toughest grime and stains from your tile floors. A good steam mop can blast grime off of floor tiles, and reach into tile grout to clean and sanitize. However, not just any mop will do! Lots of mops will leave streaks, smudges, or even puddles of gritty sludge on your floor. Even worse, some of them simply don't work.

Best Steam Mop for Tile Floors 2019: Top Rated Cleaners

Rated 1 out of 5 by Bribie1 from Disappointed I have been disappointed with my Vax Steam Cleaner and find that it does not have enough power to clean well. I have also found the long floor extension part to be flimsy and the handle has a rough surface which leaves me with a sore red hand after mopping the floors.
