For home sellers who underwater on their home, it's not as bleak as it might sound, but most short sales don't let the seller make a profit. Some banks will pay sellers a relocation incentive and some programs offer special incentives, but for the most part, a seller doesn't pocket the sale proceeds.

Who Profits From Short Sales? - The Balance

Washington State allows the sale of raw milk but only by licensed producers and processors. Raw milk may be sold for three purposes: for further processing, for human consumption, or for animal feed.
