Providing all types of custom sawmill cutting and milling of cypress, southern yellow pine, white pine, and more. We can cut beams up to 44 feet in length. Logs, peeled logs, siding, rough cut and smooth on all 4 sides lumber.

Packages - Cracker Style Log Homes

I learned a lot from working with him. One specific detail I learned was how to fit and install a housed newel post. Just like a housed skirtboard is routed to accept the treads and risers, the housed newel is cut to fit around the treads and risers—you cut the profile of the tread nosings, risers, and skirts into the side of the newel post.
