### **Skyrim Legendary Guide - wsntech.net**

Actually, on PC, there are some significant differences between Legendary and Special Edition. Legendary Edition is the original 32 bit version, and is the version that is compatible with mods dating back to the Skyrim's initial release. Special Edition is the 64 bit version, which broke compatibility with old mods when it came out.

### **Legendary vs Special Editions -- What's the difference ...**

I found this guide sufring on line, but when I logged on to steam it wasn't there. Then I realized there are two hubs, one for Skyrim, and one for Skyrim Special Edition. You should re- post it on the other hub for more exposure.

I purchased the Elder Scrolls V, Skyrim Legendary Standard Edition, game guide by David Hodgson for my husband. I bought the game for my husband as a gift and since the game itself is huge I thought this game guide would be great. First of all this book is amazing. It has everything in there to help you succeed with playing and accomplishing ...
