Critical discourse analysis (CDA) is an interdisciplinary approach to the study of discourse, or put simply talk and text, that views language as a form of social practice. Scholars working in the tradition of CDA generally argue that (non-linguistic) social practice and linguistic practice constitute one another and focus on investigating how societal power relations are established and ...

Discourse Analysis as Ideology Analysis - Teun A. van Dijk

Discourse analysis (DA), or discourse studies, is the approaches to analyze written, vocal, or sign language use, or any significant semiotic event.. The objects of discourse analysis (discourse, writing, conversation, communicative event) are variously defined in terms of coherent sequences of sentences, propositions, speech, or turns-at-talk. Contrary to much of traditional linguistics ...

[page 3] 9. Widespread objection was raised against that fourth aim, although there was support for it in some quarters. The Inspectorate's follow-up publication (English from 5 to 16: The Responses to Curriculum Matters 1) reported that they had accordingly asked those who had commented what they judged teachers should be expected to know about language and about language development in children.
