### **History of Welfare in Canada - Canadian Social Research Links**

Welfare is a type of government support for the citizens of that society. Welfare may be provided to people of any income level, as with social security (and is then often called a social safety net), but it is usually intended to ensure that the poor can meet their basic human needs such as food and shelter. Welfare attempts to provide poor people with a minimal level of well-being, usually ...

Social service, also called welfare service or social work, any of numerous publicly or privately provided services intended to aid disadvantaged, distressed, or vulnerable persons or groups. The term social service also denotes the profession engaged in rendering such services. The social services have flourished in the 20th century as ideas of social responsibility have developed and spread.
