What are the requirements of Immersion Suit as per SOLAS?

Searching for a better vessel management system? The day to day drag on captains, officers & engineers to print a form in the bridge, take it to the job site, complete in pen, go back to the bridge, scan, file a digital copy, file a paper copy and then email to the respective authority has but all been removed from the equation with the Efficient Sea App.

Efficient Sea App - Super yacht management

The Safelaunch SLA3.5 is an off-load fall-mounted automatic release hook for use with davit-launched liferafts and single-fall rescue boats. With a safe working load of 3.5tonnes, the SLA3.5 is perfectly suited for various types of liferafts & rescue boats and their associated launching appliance and because of the inherent safety of the load-over-centre design it can only be released when the ...
