"Sparkle Witch" is a novella in Helen Harper's "Lazy Girl's Guide to Magic Series". Ivy is staying true to her lazy girl ways in this exciting novella. But when a silver angel goes missing, she'll stop at nothing to find out who took it. Overall, I loved this novella.

Sparkle Witch is a short bonus story and a good-bye to the series. Ivy the non-Order witch is now helping her boyfriend, Ibsissimus Winter, reorganize the Honorable Order of Magical Enlightenment. How did that happen? But the laziest witch in town is also learning the benefits of delegating.

### **Review: Sparkle Witch by Helen Harper - EBookObsessed**

Sparkle Witch by Helen Harper a five-star read that will bring a sparkle to your eye. If I could give this more starts I would gladly. This is by far my favourite Christmas story this year, maybe ever!!

and not just for Brutus!! who I though really came into his own with this story.

What I feel happened in this story is the exact opposite, we have a lot of side characters with detailed motivations and emotional reactions to what happened all dancing around the big void that is Twilight Sparkle in this story, we know her from the show, so we can project some of our own knowledge of her background to try and fill the gap but ...
