The most expensive shoe brands of 2019 is a tricky list. Although hands down these are the royalty in shoes, unsurprisingly many of which are from the leading luxury brands in the world, the list can be arbitrary given that each year, a fashion house will release a pricey pair that tries to outdo the other fashion houses. So, this year, we're shaking up the list based on the recent pricing we ...

As of early 2013, preventive is about three times as common as preventative in general web searches. And as the ngram below suggests, preventive has been far more common in published books for the last two centuries at least. The prevalence of the shorter form is seen throughout the English-speaking world, but the longer form is especially common outside North America.

What about collisions that occur on private property, like parking lots? For the most part, a parking lot accident is no different than a collision that occurs while driving on the street, road or highway. The police will need to be notified if there are injuries, or if there are damages that exceed your province's threshold.
