Stray Reflections The Private Notebook of Muhammad Iqbal

Stray Reflections; The private notebook of Muhammad Iqbal. Iqbal is not an easy philosopher to grasp, we have to take him bit by bit. I confess, it was lil bit tough read for me. Though there are some points that are difficult to absorb by reader, but it's wonderful. There are many subjects about which Iqbal wrote in it.

This is an essay I wrote during my undergraduate in 2015. The nominal focus is understanding the causes of the 1915-1917 Armenian Genocide, but the larger backdrop is the processes of change and transformation that accompanied the break-up of the Ottoman Empire and the reshaping of the modern Middle East.

Stray Reflections Allama Iqbal - part 2

Iqbal — the poet, the philosopher, the man. In Stray Reflections he writes, “And what is patriotism but a subtle form of idolatory; a deification of a material object.” Again, this shift is not one of fickleness, but one of careful rediscovery. In 1905, at the age of 28, Iqbal studied for a doctoral degree in Europe where the libraries of Cambridge,...
