Chocolate brownies are a classic American dessert. We frequently debate their finer points - fudgy, chewy, or cakey? Edge or middle? Dark or milk chocolate? Warm and fresh from the oven or cool to the touch? So beloved are brownies that, according to this 1985 commercial, some people are driven to extremes to get them.... [MORE](#)

Guitar, plucked stringed musical instrument that probably originated in Spain early in the 16th century, deriving from the guitarra latina, a late-medieval instrument with a waisted body and four strings. The early guitar was narrower and deeper than the modern guitar, with a less pronounced waist. It was closely related to the vihuela, the guitar-shaped instrument played in Spain in place of ...

The history of painting reaches back in time to artifacts from pre-historic humans, and spans all cultures. It represents a continuous, though periodically disrupted, tradition from Antiquity. Across cultures, and spanning continents and millennia, the history of painting is an ongoing river of creativity, that continues into the 21st century. Until the early 20th century it relied primarily ...

9 Blades that Forged History. For millennia, edged weapons such as swords, knives and daggers were the arms of choice for warriors around the globe.

### **Articles by Evan Andrews - HISTORY**

Contrary to popular belief, George Washington Carver did not invent peanut butter. He was one of the greatest inventors in American history, discovering over 300 hundred uses for peanuts including chili sauce, shampoo, shaving cream and glue. He was a pioneer in the agricultural world and many refer to him as father of the peanut industry.

### **Who Invented Peanut Butter? | National Peanut Board**

The Tomato History has origins traced back to the early Aztecs around 700 A.D; therefore it is believed that the tomato is native to the Americas.

Chef's salad Food historians can't quite agree on the history and composition of chef's salad much less who assembled the first one. Some trace this salad's roots to Salmagundi, a popular meat and salad dish originating in 17th century England and popular in colonial America. Others contend chef's salad is a product of early twentieth century, originating in either New York or California.
