New Tata Safari Storme with Advance Engine - The Real SUV ...

History. The Safari is the off-road vehicle of the Tata range targeted at industrialized markets like Europe.. The Tata range in the nineties saw the expansion into new markets and that was why new more advanced models were introduced such as the Indica, a small city car with 3.70 meters and the Safari. The Safari has been designed as a seven-seater with a foldable third row, roomy interior ...

Tata Safari - Wikipedia

Tata Telcoline is a pickup truck made by the Indian automaker Tata Motors since 1988. In India it was originally known as the Tatamobile 206 and from 2002 the name was changed in Tata 207 DI.In export markets, it is sold as a Tatamobile or simply Tata Pick Up.. It's the first Tata vehicle to be sold in overseas markets, most of them to Europe.

HP vs BHP. You are bound to have stumbled upon the term Horsepower, whether you own a vehicle or not. HP is a measurement which is used during ads for cars, and it's also something that you will often hear being used by those who work in machine shops, or even men who are car enthusiasts, but what about the term Brake Horsepower, or BHP?
