Michèle Lemoine - 2003 - "You go to bed poor, but wake up rich." That is the dream of Haitian people who have lost all hope in life, except for the lottery that they passionately play every day. A huge borlette lottery network covers the whole country and earns almost 250,000 U.S. dollars a day. The balls bearing two digit numbers that gamblers can bet on are being drawn every night in ...

Tchala, the Currency of Dreams | IDFA

-About the Tchala-Many civilizations believe in the law of attraction, the cosmic connection between all beings. The belief in the power of dreams is no different. Haitians have inherited such belief from their African and Taino ancestors and have molded it to fit their reality.
