Children's stories provide a great context for learning science. Explore our resource packages based around popular children's books and discover the science hidden in a book.

Teaching science through stories | STEM

Home; Teaching activities; Teaching activities. The Teaching activities provide suggested teaching strategies to support the use of the My Place TV series in the classroom. Focusing on video clips and associated stills, the teaching activities reflect and support the Australian Curriculum objectives for studies in both History and English for years 3-6.

Teaching activities - My Place

The Three Little Pigs- I like to use this book (any version will do) to compare pig 1, pig 2, pig 3, and the wolf. This will give us a chance to compare characters and discuss good vs bad characters. I plan to challenge my cuties by asking them to think about what would happen if pig 3 was lazy as well, or if the wolf was nice.

Quite a Character: Teaching Character Traits

LEARN NC has been archived. The website for LEARN NC has been permanently archived at the Internet Archive's Wayback Machine and NCPedia.. The lessons and resources you've been using for years are still available to you! Scroll down for instructions on how to access those materials.
